Tariffs and to Obtain Accelerated USF Support	}	

**Opposing Osirus's Petition and Supporting Allband Communications  
Cooperative**

We, Sheryl and Jerry McBride oppose the Osirus's Petition and support the  
comments of  
Allband Communications Cooperative in this proceeding because:

Allband was the first company to provide telecommunications service to  
our home.

The service provided by Allband is excellent, at reasonable rate and allows  
us to have broadband access to the internet.

Allband has made plans to provide its services to other unserved areas in  
Michigan and will provide the same quality services in those areas.

Osirus did not care to provide services in these unserved areas until  
Allband began providing service.

Thank you,

Sheryl and Jerry McBride  
5626 Fruchey Ranch Rd.  
Curran, MI 48728
